

## Driving Immigration to the Region and Providing Solutions to Healthcare’s Critical Shortage in Nursing...20 new jobs to Pittsburgh and counting

Velocity Healthcare is a human capital consulting firm that provides services to healthcare facilities. Our ability to provide visa sponsorship makes us unique in our ability to attract worldwide talent and provide this talent to our clients. Although we offer many customizable solutions, we specialize in the on boarding of international healthcare professionals in the United States. Our goal is to match our employees with the right facilities in the best interest of a long term employment relationship for both.

Based in Pittsburgh, Pennsylvania, and established in 2002, Velocity Healthcare has a proven track record in the recruitment and employment of international healthcare professionals to in-demand positions at reputable healthcare facilities in the Pittsburgh Region.

**Velocity Healthcare offers full-time employment to International RNs.** We are proud of our nurse’s contributions to the Pittsburgh region. As of September, 2008 our Pittsburgh team consists of RNs from 5 countries and has driven 20 immigrants to the region!
